

About the company/business:

Company name:

Address:

Postal code:

Phone:

Mobile:

Email address:

What does your company do?

Let's get down to business:

Do you have a URL in mind for your website?

What's your deadline for this project?

I want this site because:

I need to build awareness for my brand

I need to offer a contact point to my clients

I need my company to have a better image online

I need to sell my product/service through my site

I need to use it to build customer loyalty

I need to reach people in many languages

I need somewhere to promote my latest product/service

I have my own reasons: _____

My clients come to me because:

I offer excellent service

I have the best products on the market

I have the best prices on the market

Do you want to expand your target audience in a certain direction?

More specific features of your customers

Some words about your company

Subsidiaries?

Average number of employees?

Someone's searching the web for your business. What words or phrases will they search for in Google?
VERY IMPORTANT – SEO STRATGEY! Consider carefully.

What is it that makes your products or services unique on the market?

Do you have any proof that your solutions are better than your competitors?
